Please use the box below to enter the wording you would like on the plaque, indicate upper- and lower-case letters where desired and carefully check spelling and dates. Bench and Tree plaques are 4 x 8 inches. Commemorative tree plaques should include the tree species at the top of the plaque (common and scientific name, see ex. 4 on p. 3). The maximum length of text is 7 lines with approximately 35 characters per line, including spaces. The minimum text height size is 8mm (measured using capital letter H), Arial font only, and text must be mixed case not all capitals.
