

## TOWN OF WHITBY NOTICE OF STUDY COMMENCEMENT

### Downtown Brooklin Transportation Study

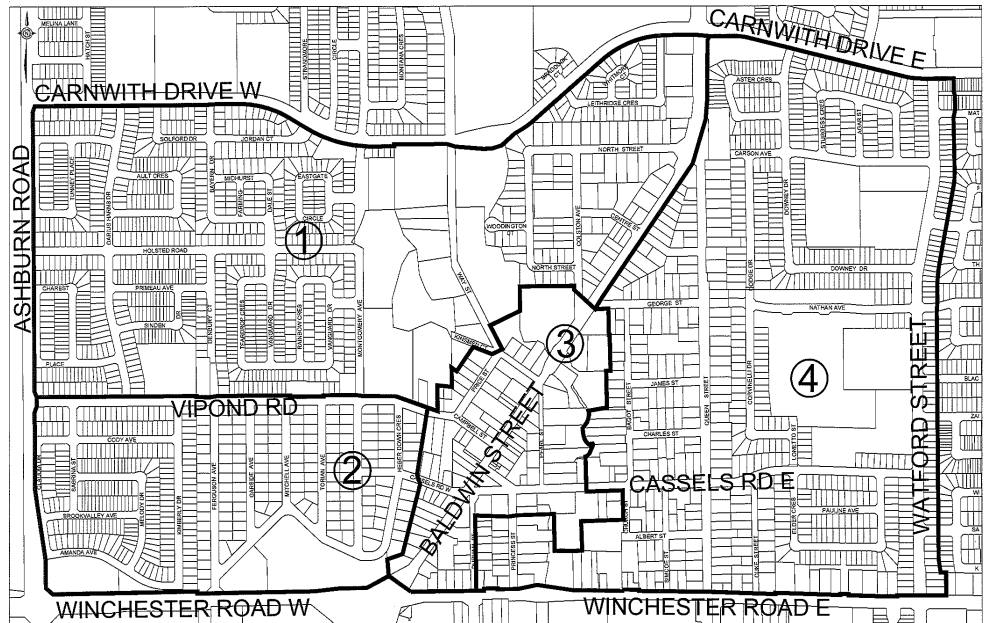

#### THE STUDY:

The Town of Whitby has retained Cole Engineering Group to complete a Transportation Study for Downtown Brooklin. The purpose of the study is to identify existing and future near-term (< 5 years) transportation issues, and to develop solutions to address any existing or anticipated needs.

#### STUDY AREA:

The study area is bounded by Winchester Road to the south, Carnwith Drive to the north, Ashburn Road to the west and Watford Street to the east. Within the Study area, zones have been defined for detailed assessment, as shown in the figure:

1. Northwest Area
2. Southwest Area
3. Downtown Area
4. East Area

#### PUBLIC CONSULTATION:

Two rounds of Public Meetings will be held for this study. Each round of meetings will consist of two evenings of meetings, with each zone having an individual public meeting. Notices for meetings will be posted on the Town website and in the local newspaper. If you wish to be added to the Study mailing list to be notified of upcoming events, please forward your contact information to the listed project team members below.

#### COMMENTS INVITED:

Your involvement is important!

Please take a moment to get involved. We encourage you to submit your comments, issues and additional information to the listed project team members below.
